Northern Agri Group is a grower group based in the Northern Ag Region of WA and consists of growers in the areas of Binu, Northampton, Ogilvie and surrounds.

Our committee is made up of local farmers who volunteer their time to be a part of the committee.

NAG aims to seek, initiate and direct research relating to sustainable and profitable farming systems, facilitate adoption of successful technologies and practices and engage and support the community along the way.

We collaborate with nearby grower groups, DPIRD, GRDC, local businesses and the broader agriculture industry to provide regular field walks, gatherings and updates on relevant topics and research.

NAG positively contributes to the local community through donations towards projects such as the Binu Hall restoration, or sponsoring Northampton Football Club, Northampton Netball Association, Northampton Bowling Club, Ogilvie Progress Association, Northampton Show, Northampton District High School and more!

PRESIDENT'S MESSAGE

The Northampton District Agricultural Society (NDAS) would like to welcome everyone to our 107th Northampton show on the 13th of September 2025. With this being my first year in the position of President I would sincerely like to thank all the committee members for their time, dedication and enthusiasm in helping to plan this year's event. We have made a number of changes to help streamline this year's event to simplify some items while looking to showcase the very best of what our community has to offer.

These events are unable to go ahead without the support of our local businesses and community members. This has resulted in the introduction of a four-tier sponsorship package which provides financial support to the NDAS, as we hope to build a solid partnership with local businesses in Northampton and the Mid West. We hope that through these partnerships we can promote our community through the largest event in the Northampton Shire and bring value to those businesses that have so kindly offered their support.

I would like to thank the Northern Agri Group (NAG) for their support and for partnering with the NDAS as our Platinum sponsor for the next three years. NAG is also a volunteer run group who is involved in Research, Development and Extension for all things farming in and around Binu, Ajana, Ogilvie and Northampton. As the show still maintains a strong agricultural connection we are very thankful to NAG for partnering with the NDAS in show casing all that our community has to offer.

I would also like to thank our other major sponsors including Nutrien Ag Solutions Northampton and GMA as Gold sponsors, Murchison Hydrogen, McIntosh & Son, Phil Gray Transport and Claas Harvest Centre, as our Silver sponsors and Great Northern Rural Services, Northern Stud Merino Breeders' Association, Midwest Grain Cleaners, Chally Bridge Farms, Northampton Pharmacy, AWB, AFGRI, Independent Rural Northampton, GJ & HE Williams, Warakirri and Geraldton Toyota as Bronze sponsors. Thank you to all these businesses that have provided support for 2025 and we look forward to working with you this year and into the future.

I also need to thank everyone who offers their help in the lead up to the show in helping process entries, working at busy bees with the set up and packing up, stewards, judges, gate staff and parking assistants on show day, as all these contributions help to ensure the show runs smoothly. As we take pride in being able to promote our community there have been some changes, with all entries being processed through showday.online, the digital system, to help reduce the workload of our volunteers. We have also amended some of the prize money in a lot of the sections, so be sure to have a good look at what you could enter, even if it's only a couple of classes, all entries help to showcase our area and portray a vibrant community.

Here's to another successful show and we hope to see you all on show day or at our Rural Ambassadors' Dinner.

Thank you

2025 Rural Ambassador Award

Anna Henville

Hi I'm Anna and I'm honoured to be Northampton's Rural Ambassador for 2025.

I was brought up on the family farm at West Binu and spent my primary years at Binu Primary School, where my family were fully involved in the community. We enjoyed lots of activities: Scout bike rides and picnics, P&C fundraisers, tennis club events, school concerts and many more. I count myself lucky to have had such a supportive community around me and such a free-range childhood.

Although schooling wasn't easy for me, it was my time at Binu that taught me resilience and the value of hard work. Both at school and at home we were expected to give 100% at whatever we did, be it doing a school assignment or shifting sheep. I have dyslexia, dysgraphia and ADHD so I would have taken sheep work over school work any day. I continued my schooling as a boarder at Nagle in Geraldton, where we lived as a strong community and made friendships for life.

I have never been a fan of the city, so when it came time to go to university I was lucky enough to be able to study locally in Geraldton through Geraldton University Centre and continue living on the farm. One of the great things about study in Geraldton was I was able to complete some of my teaching practicum in small country schools; Binu PS and Saint Mary's in Northampton. I have also done a year teaching at Chapman Valley Primary School and am now a permanent early childhood Special Education teacher at Holland Street School.

I guess I'm not your average rural ambassador – I live in Geraldton now and am not directly involved in the agricultural sector, but I love the Northampton Show and my involvement in it. I have been an Exhibition Hall committee member for over ten years and Chief Steward of the Junior Section for the last three. A lot of country social life is centered around netball and footy, and I was not great at organised sports. As a kid the Show gave me a chance to show what I was good at – baking, crafts, visual arts and honed some life skills in the process – organisation, attention to detail, perseverance, volunteering... the list goes on.

As a teacher I encourage students to participate in hands-on activities to expose them to country life. Our school is lucky enough to have a kitchen garden and chickens, where we go out and explore where our food comes from. We are also partnered with "Kelpies for Kids" where kelpie puppies visit to become used to children and adults as they train to be working dogs. This exposes the kids to sheep work as we watch videos of the dogs training, which the students love.

The Northampton Show provides a chance for the students at Holland Street School to enter arts, crafts and cooking into the Exhibition Hall, allowing them to participate in the community that they would not have had otherwise. I love that my passion for education, rural life and the Northampton Show have come together to create these opportunities.

It's great that our wonderful team of volunteers can create an event which showcases agriculture and also the skills and passions of all who live in the community. I'm proud to be a part of it.

Anna Henville

The CLAAS logo is positioned in the top right corner of the advertisement. It consists of the word "CLAAS" in a bold, red, sans-serif font, enclosed within a white rectangular box that has a slight 3D effect with a shadow on its right side. The background of the entire advertisement is a photograph of a CLAAS tractor in a field at dusk or dawn. The tractor is green and black with red wheels, and its headlights are on. It is pulling a red implement. The sky is a mix of orange, pink, and blue, and the field is dark with some green patches.

CLAAS

You know us for harvesters.

Our machines are trusted by the best
in the business.

Now we're bringing that same innovation,
performance and precision to tractors.

And we're not here to take part –
we've accepted the challenge.
Now it's your turn.

If you're not in a CLAAS tractor yet...
what are you waiting for?

17. Every reasonable care will be taken of exhibits, but no responsibility will be incurred by the Society.
18. In the case of a dispute as the interpretation of any of the foregoing rules and regulations, the same shall be determined by the Committee.
19. Any person insulting or interfering with the Officials during the Show will be subject to removal from the ground, and prizes, (if any) awarded to such person may be absolutely forfeited to the funds of the Society.

20. It shall be the duty of the stewards to prevent any person from interfering with the judges and, if necessary, to order the removal of such offender.
21. Pens of more than one sheep cannot be broken to enable sheep to compete in individual sheep classes. Individual sheep cannot be entered in more than one class.
22. In all classes except ring events, where a special prize is given for a class, this prize will replace the ordinary prize, or if less, the amount will be made up to the amount, as shown on the top of the section.
23. In the event of a tie for the highest aggregate points in any section, prize allocated shall be won by the Exhibitor with the most first prizes. In the event of a further tie, prize allocated shall be won by the person with the most entries in the Section, if still equal, entries over the whole of the Exhibition Hall will be counted, if points are still equal, entries in the whole of the Show will be taken into consideration.
24. In all classes, the judge has the power to change an exhibit to another class within the Section if, in their opinion, it has not been entered in the right class.
25. Where the Society's ribbon is made available the judge is expected to award it to the best exhibit in the section.
26. All livestock found vermin infested will be removed from the grounds.
27. (a) All entries received are subject to these Show Regulations and By-Laws, the Special Regulations in each Section, and to the Uniform By-Laws made under the Royal Agricultural Society Act, 1926;
(b) The Society may refuse any entry without giving any reason therefore;
(c) The Committee may at any time disqualify from exhibiting either indefinitely or for such a period as it may think fit, any exhibitor who has in the opinion of the Committee been guilty of any breach of these regulations, or whose conduct whether at or during any Show of the Society has in the opinion of the Committee been such that he is unfit to exhibit at any Show of the Society;
(d) No person who has been disqualified from exhibiting at any Show of the Royal Agricultural Society of Western Australia Inc, or at any show or Society affiliated therewith, shall during the period of disqualification be allowed to act as agent, representative or servant of any exhibitor at any Show of the Society, and the exhibitor of such stock shall be disqualified;
(e) During the period of disqualification no entry will be received from any person disqualified from the Royal Agricultural Society of Western Australia Inc, or by any Society affiliated therewith, and should an entry be accidentally accepted, it shall be deemed to be void and the entry fee will be returned.
28. The Society will be under no liability for any loss or damage suffered by an exhibitor in respect of any property exhibited by him, whether caused by or attributed to the negligence of the Society, or any of its servants or otherwise whatsoever.
29. The Society will not be responsible for any accident that may be caused through or by an exhibit or exhibitors; and it shall be a condition of entry that such exhibitor shall hold the Society blameless and indemnified against legal proceedings arising from such an accident.

Miss Show Girl Competition

The Miss Show Girl Competition ran from 1974–1999, and was an Australia wide competition. Although some years the Society had difficulty enticing girls to enter the Quest, we have been admirably represented on numerous occasions. The Society would like to thank the girls who have proudly represented Northampton.
